Terms and Conditions

Scope

These Terms and Conditions ("Terms") apply to the airdrop and referral program of SmartBlock Beverages FZ LLC ("SBB") on the website www.zeloop.net ("Website") and the application ("App"). During the course of the airdrop and referral program, SBB plans to distribute "Eco Reward Tokens" as a reward for registering on the App and referring new users. Eco Reward Tokens are ERC20 tokens on the Ethereum blockchain.

The Eco Reward Tokens distributed in connection with the airdrop and referral program are 'gifts' and do not confer any rights, neither statutory nor contractual, on recipients.

SBB may update, change, replace or cancel these Terms at any time without prior notice. The airdrop and referral program will run until December 31st 2020 or 10,000 users which ever comes first .

Token Rewards and Referral Program

Users who register on the App are eligible to receive 2,500 Eco Reward Tokens upon accessing the App for the first time ("Airdrop"). Users who refer new users via their individual signup link are eligible to receive a reward of 200 Eco Reward Tokens per referred user ("Referral Reward"). To receive the Referral Reward, the referrer and the referee must both be eligible for the airdrop Referred persons must input the referer's referral code for the referrer to earn a referral bonus. Each unique natural person can participate in the airdrop just once. We reserve the right to blacklist users if we believe they are not actually eligible or participated in botting/spamming or similar activities.

Token Redemption

SBB will enable redemption of Eco Reward Token rewards after the Air Drop is finished. There is nothing physical being provided, the Tokens are distributed electronically only in the App. Redeeming claimed tokens will require registering on the App.

Bonus Token

Amount of Tokens earned by using the App until December 31st will be doubled.

This will be credited to in App user wallet by January 7th 2021.

Token Value

Any price associated with Eco Reward Tokens or mentioned on the Website is our best estimate of value at the time. SBB does not take any financial responsibility for the value of Eco Reward Tokens. SBB does not guarantee the price of Eco Reward Tokens, or the ability to convert/exchange tokens into other forms of currency.
