Scope

These Terms and Conditions ("Terms") apply to the bounty and referral program of SmartBlock Beverages FZ LLC ("SBB") on the website www.zeloop.net ("Website") and the application ("App"). During the course of the bounty and referral program, SBB plans to distribute "Eco Reward Tokens" as a reward for registering on the App and referring new users. Eco Reward Tokens are ERC20 tokens on the Ethereum blockchain.

The Eco Reward Tokens distributed in connection with the bounty and referral program are 'gifts' and do not confer any rights, neither statutory nor contractual, on recipients.

SBB may update, change, replace or cancel these Terms at any time without prior notice. The bounty and referral program will run until October 1st 2021.

Token Rewards and Referral Program

Users who register on the App are eligible to receive 2,500 Eco Reward Tokens upon accessing the App for the first time ("Bounty"). Users who refer new users via their individual signup link are eligible to receive a reward of 500 Eco Reward Tokens per referred user ("Referral Reward") as per the existing setup in the app. Token earned are credited to the user wallet in the app. Each unique natural person can participate in the bounty just once. We reserve the right to blacklist users if we believe they are not actually eligible or participated in botting/spamming or similar activities.
